

**This is an alert to our customers: There are counterfeit BeaterBlades being sold on the internet. There is a company on Amazon.com called "Brand New World" and "Domooth" and many others on eBay.com. These BeaterBlades are made in China with substandard materials without our permission. They are dangerous copies and illegal. If you suspect buying a counterfeit product, we urge you to call our office at 800-624-1526 and we can help authenticate your part. We are doing all we can to eradicate these unlawful sales and ask your help by spreading the word and making sure to buy only from approved vendors. Remember, BeaterBlade is proudly made in the USA...do not accept any foreign replacements.**
